

# GET CAUGHT READING PROGRAM

MAY 2007

The Vernon School Readiness Council is pleased to sponsor our fifth annual “Get Caught Reading Program” for preschoolers and young children. This program is part of a national literacy campaign to encourage reading to and for children.

During the month of May all families with preschool and young children in the Vernon area are invited to take pictures of their children “caught reading” Children may also draw pictures of themselves or others they have “caught reading”. The pictures are then displayed on posters at the Rockville Children’s Library. Please put your child’s first name only and your phone number on the back of the picture

At the end of the month each child will receive a new book courtesy of *The Vernon School Readiness Council*

**GET CAUGHT READING!!**
